Welcome to a one-of-a-kind island adventure, 25 acres of paradise on the breathtaking island of Eleuthera, featuring untouched natural land stretching nearly the full width of the island, including 355 feet of unspoiled pink sand beach frontage and the ever-changing, beautiful blues of the Atlantic Ocean. Whether you envision a private estate, a nature-forward retreat, or a boutique resort, this property offers boundless potential with over 25 acres of undeveloped land rich in native coppice and natural beauty, breathtaking aerial views, and clear blue waters. There is the option to add Mission Bay, a charming beach cottage that gives you access to the Caribbean Sea for a sea-to-sea experience beyond compare. This is a rare find....read more on our website.
