Completed in 2025 and designed with deliberate intention, Le Canal is one of the most compelling residential offerings to come to market in Nassau in recent memory. Set on a 14,000 sq ft lot along the protected canal in Coral Harbour â€" a quiet, no-through-road enclave minutes from the international airport and the best of Nassau â€" the property unfolds across 6,700 square feet of thoughtfully conceived living, with a dock capable of accommodating two vessels of significant size and direct access to open water. The architecture is quintessentially Bahamian in spirit â€" white stucco, metal roof, cedar-lined covered terraces â€" but the execution is unmistakably international in standard. Solar panels across both structures speak to a commitment to energy independence, while steel and con...read more on our website.
