Discover the unparalleled beauty and potential of Whale Cay, an extraordinary private island in the Berry Islands, Bahamas. Spanning 565 acres of pristine landscapes, this idyllic retreat is perfect for exclusive residential development, with 565 acres still available for acquisition. Location and Accessibility: Situated between the Bahama Banks and the tongue of the ocean, Whale Cay is ideal for fishing and boating enthusiasts. Just 30 miles north of Nassau and close to Florida, the island is accessible by boat, seaplane, or its 4,000-foot airstrip. Chub Cay, 6.5 miles west, serves as the main port of entry with customs, marina facilities, restaurants, and supplies. Natural Waterway and Marina Potential: A 2.5-mile natural waterway on the northern side, about 25 feet wide and 1.5 to 4 fee...read more on our website.
