Nestled on a desirable ridge with stunning elevation, this Bahamian-style home offers a rare and highly coveted view of both the ocean and the bay. Located less than 500 feet from the beautiful Pink Sand Beach, Villa Iridescence comprises two separate cottages and a main house, each equipped with its own kitchen and covered patios. Spread across one acre, the property boasts just under 4,000 sq. ft. of living space set within an elevated, orchid-filled garden with hundreds of flowering plants and native trees and a picturesque winding driveway. Cottage one is 646 sq. ft. and includes a bedroom, bathroom, kitchen, laundry room, walk-in storage closet, and covered patio. Cottage two is 783 sq. ft. and features 2 bedrooms, 2 bathrooms, a kitchen, and a covered patio. The main house spans 2,49...read more on our website.
