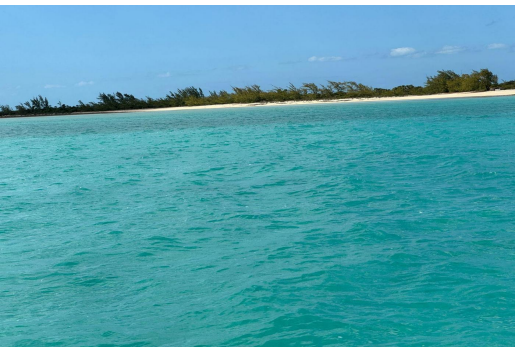
Rock Sound Development Land



Development Land - Blank Canvas - Endless Possibilities

Sound Point presents a unique and promising opportunity for development in Southern Eleuthera. This 2000-acre tract of land, located near the Rock Sound Airport on the island of Eleuthera, offers a strategic position that combines accessibility with the serene beauty of island life. Its proximity to the Rock Sound International Airport, positioned just west of the runway, makes it an ideal location for both residential and commercial development.

Situated as a peninsula in South Eleuthera, the property boasts an extensive waterfront that could be leveraged for a variety of purposes. From luxury resorts and private villas to marinas and eco-tourism projects, the potential uses of this land are vast. The natural beauty of Eleuthera, with its stunning beaches, clear blue waters, and...read more on our website.
