To those seeking the pinnacle of luxury and privacy in a tropical paradise, Villa de Palmas offers unparalleled features that set it apart as a truly exceptional estate. Nestled within nearly 2.5 acres of secluded land, this property boasts 200 feet of pink sand beach and is elevated to provide panoramic views of lush foliage and the azure seas. The architectural design, crafted by a renowned firm specialising in Mediterranean and Caribbean styles, ensures that every detail is tailored for high-end living. This exquisite design blends seamlessly with the natural beauty of the Bahamas, creating a serene and elegant retreat. Villa de Palmas is not only a testament to luxury but also to sustainability. The estate is eco-friendly, with a net-zero-carbon-footprint achieved through the use of a ...read more on our website.
