A timeless Bahamian beauty, Captainâ€™s Cottage is a wonderful quarry stone house of significant historical value and charm. Blending a storied past with refined island living and crafted to endure while designed to inspire, the home offers a sanctuary of natural beauty, artisanal materials, and modern comforts creating an exceptional retreat where legacy and luxury exist in perfect harmony. Located on the exceptionally picturesque Crown Street, the home is surrounded by vibrant bougainvillea and palm trees cascading over property walls. One of three homes originally left to the daughters of Captain Albury, Captainâ€™s Cottage is a registered historic property and benefits from a transferable property tax exemption. The residence offers approximately 2,200 square feet of thoughtfully desig...read more on our website.
