Located Bahama Sound 18 this lot sits just a short distance from George Town. Coleus Drive has access to most utilities but water will have to be by a private well. Having higher elevations at the front and a gentle slope at the back descending onto a park reserve some creativity in designing and building are required. This area of Bahama Sound 18 is scarcely developed but has great potential with existing and ongoing construction of modest homes. Call us to make this yours!...read more on our website.
