Located in Tropical Gardens, this spacious 3 bedroom, 2.5 bathroom home has wonderful features such as timber ceilings, hardwood floors, and ceramic tiles. Upon entering the home, you are greeted with a foyer, living, and dining area. The kitchen is complete with stainless steel appliances as well as an island with plenty of counter space to serve a lovely meal to guests. Immaculately maintained, the front yard offers tasteful landscaping, verdant grass, a mature coconut tree, and a carport. In the back, a refreshing pool is sure to be the centerpiece of your next gathering or can be reserved as your personal oasis. There is also a pool house at the back of the house that can be used as an office....read more on our website.
