This is a fantastic opportunity to purchase this fully furnished four-bedroom, four-bathroom home. One side of the property can be occupied full-time, while the other can be rented out for income. A second cottage with one bedroom that can accommodate one more guest. There is plenty of area for backyard farming beyond the exquisitely designed front lawn. Its three acres allow for potential future growth. This gorgeous house is perfect for both short- and long-term rentals because it is built to accommodate different entrance doors. Conveniently situated at a five-minute drive from the Deadman's Cay airport. Beaches, supermarkets, gas stations, and other facilities are close by....read more on our website.
