Located in the tight-knit community of Garden Hills is this 20 year old unfinished vision. At this age many contractors may conclude that you would need to start your vision from scratch. With an elevated location you could possibly take advantage of views and benefit from a location that will never have flooding issues. This single family lot spans 60x100 (6,000) square feet. Build your dream here in this amazing Garden Hills lot location....read more on our website.
