Welcome to this charming 2-bedroom townhouse nestled in a quiet neighborhood, offering approx. 1,022 sq. ft. of comfortable living space. Built around 2006, this well-maintained townhome features laminated wood flooring in the spacious bedrooms, both equipped with ductless air units. The carpeted hallway and stairs add a cozy touch. With 1.5 bathrooms, an open living and dining area, and a convenient utility room, this home is designed for easy living. The kitchen includes a gas connection for the stove, perfect for cooking enthusiasts. Enjoy the outdoors on the front and back porches or relax in the enclosed yard for added privacy....read more on our website.
