This stunning beachfront property measures 100 feet beachfront x 809 feet deep. It is high and dry and suitable for building your dream house. The property is located halfway between the quaint town of Landrail Point and Pittstown Point Lodge. The Pittstown Point Lodge has a 3,500-foot airstrip, making it a pilot's dream vacation spot. It is also the perfect getaway location, with a handful of other vacation homes along the beach, a short walk to the resort, and telephone and electricity hookups available. The lot's location also makes it perfect for taking long walks down the white sandy beach, fishing, and snorkeling....read more on our website.
