The Vinspen 8-Plex offers an income generating opportunity of a lifetime. This new-build features 8 1-bed/1-bath units with gated access, impact windows, vinyl flooring, wood cabinets and a communal laundry room. Each unit's bedroom is fitted with a ductless unit for climate control. The building has both city water connection and a dug well to ensure continuous access to water services. Units are propane-ready with gas lines connected for cooking. With monthly revenue generating potential of \$7,800 - \$10,400, this is an investment worth pursuing. Make this money-making dream your reality today!...read more on our website.
