A 12,000+ sqft elevated beachfront lot with 65 feet of frontage on the Queen's Highway in James Cistern, Eleuthera. This open-zoned lot offers endless potential for a beachfront home, business, or mixed-use. This property has fantastic views of the caribbean side of Eleuthera, a rare find. It is located on the island's preferred side due to its calmer nature, stunning blues, and unforgettable sunsets. Here you can build your vacation home, beautiful cottages, or a business and enjoy a great source of income. The lot is low maintenance and has native trees and palms. Eleuthera is genuinely a nature lovers' paradise. James Cistern is the perfect example of an authentic Bahamian town, with a quiet, laid-back lifestyle, very friendly people, local restaurants offering native and international ...read more on our website.
