Hurricane distressed property is located on the picturesque Gilliam Bay beach. This home has 3 bedroom with 3 ensuite bathrooms and a powder room in the foyer. The large great room located on the top floor has beautiful views of sunrise. Although it has hurricane damage it is constructed of concrete block and clad with Hardi siding. All 1375 sq ft of porches are still in tact along with the metal room and 30,000 gallon cistern and garage. Great location, just minutes away from new Plymouth and the beach. This would make a great rental property. Call for more details....read more on our website.
