Views, views, ocean views! A large single family lot on Sunset Drive, 70 feet on the road, going back over 200 feet with a back width of 93 feet! Totaling a whopping, 15,012 sq. ft. This is the properties is equivalent to the size of two gorgeous lots to spread your home over. The owner is including the architectural drawings which is a big plus, and the structure is already up to belt. If you wanted to keep the same drawings your house would be 3,929 sq. ft. under A/C and then, should you include the porches, the total would be 4,554 sq. ft. Come and envision your dream property with the initial work already being completed so you can walk, touch, feel and be inspired to put your own stamp on it! Driving directions: From West Bay Street, turn onto Sunset Drive, and the lot is the 3rd on th...read more on our website.
