

WEST BAY STREET, West Bay Street, New Providence/Paradise

All about the location, this single-family home is perfectly positioned along the West Bay St...

All about the location, this single-family home is perfectly positioned along the West Bay St. waterfront close to Saunder's Beach. Previously used as an income-generating vacation rental property, the home is currently in need of TLC and offers incredible potential. With an open floor plan, spacious rooms with large doors and windows to enhance the ocean views, a pool, carport, a sandy beach at low tide and more, this is a fabulous opportunity for the savvy buyer looking for a renovation project....read more on our website.
