This is a 10,000 sq. ft., hill top lot with a view of the ocean at the south and west, with great sunset views. It is elevated approximately 45 feet above sea level. All utilities are available to the lot. It has already been cleared and the driveway carved into the rock. It is centrally located, less than 1.5 miles from the Hooper's Bay beach access for viewing of the turtles with additional beach access points very nearby. It is just 3 miles from George Town, the main hub of the island where there are the main grocery stores, docks, bank, marina and most of the major business places on the island. The international airport, that has daily domestic and international flights, is about 8 miles or a 10-minute drive away. This lot has great potential to invest in for personal or vacation re...read more on our website.
