Java Cottage embodies island charm across 3,123 square feet, where historic elegance meets airy,...

Java Cottage embodies island charm across 3,123 square feet, where historic elegance meets airy, open-plan design. This three-bedroom, two-bath retreat invites natural light to spill in through large windows, illuminating each room with warmth. Step out onto the private terrace to savor quiet island mornings or ascend to the crowâ€™s nest on the third floor, where stunning views await. Fully furnished and turnkey, Java Cottage is a welcoming oasis thatâ€™s ready to whisk you away into a relaxing island lifestyle....read more on our website.
