Nestled in the coveted Eastern Shores, Tween Waters presents an expansive property spanning 27,313 square feet, boasting an impressive 135 feet of water frontage on each side of the sea. Revel in breathtaking views of the turquoise waters, complemented by refreshing summer breezes on this elevated terrain. The southern exposure opens up to 'The Creek' and Elbow Cay and is the perfect spot for a new dock. The North side features a convenient boat ramp and a quaint beach. Eastern Shores, positioned just beyond the Crossing in Marsh Harbour, is a highly sought-after locale. Enjoy the ease of being approximately 15 minutes away from downtown shopping, the airport, and port. Eastern Shores is currently scheduled for complete road repaving, starting in February. This will be a welcome improvemen...read more on our website.
