Spectacular island charm with modern amenities, just steps from the beach. Itâ€™s like living off the grid but with all the comforts. Awake to the sound of chirping birds in your king-sized bed in the primary bedroom, which features an ensuite bath and a walk-in closet. The home comes fully furnished with stainless steel appliances and a full-size washer and dryer. Utilities are included. Guests have the option of two bedrooms: the first has a queen-sized bed, and the second, known as the "bunk room," sleeps four people. High-speed internet allows you to work from home, but you can take a break with a one-minute drive or a four-minute walk over the pond to miles of white sandy beach. Upon your return, enjoy the convenience of an outdoor shower before entering the house. Tranquility can be ...read more on our website.
