A rare opportunity to purchase a +- 91.60 acre development parcel. Perfectly located between Marsh Harbour and Treasure Cay. The perimeter of the property on three sides is bounded by a road and BPL power. The parcel has exceptional topography with gradual sloping hills with ridge top views, of both the Marls and the Sea of Abaco. Conveniently situated just off the S.C. Bootle Highway. This is prime opportunity for a developer to create a planned community....read more on our website.
