

QUEEN’S HIGHWAY, Congo Town, Andros

A peaceful place to live, with the ocean outside your door, and always a gentle breeze blowing...

A peaceful place to live, with the ocean outside your door, and always a gentle breeze blowing through the trees. The larger main house contains 3 bedrooms and 2 bathrooms, one with jacuzzi and shower, large living and dining room, laundry room and kitchen. The adjoining unit has 2 bedrooms and one bathroom. Units can be rented separately, each has its own entrance. The Bahamian style concrete building and porches are 1575 sq ft. and 194 sq ft. respectively. There is a storage shed at the back. All of this sits on 2 parcels of land, totaling 35,020 sq ft. Being sold 'As Is'. Needs some TLC, window and screen repairs and updates. Tiled throughout. Close to schools, the airport and activities....read more on our website.
