Experience the perfect blend of modern elegance and serene Caribbean living at Sea Esta, a newly built oceanfront estate. Situated on a 1-acre lot with an additional 1,917-square-foot buffer area adjoining the southern border, this remarkable property is designed for luxury, privacy, and self-sufficiency. Perched on an iron shore that leads to a sandy-bottom ocean, the seaside portion of the property has been thoughtfully transformed into a private beach. Painstakingly filled with soft sand, this area now features a fire pit, multiple lounging and relaxation spaces, and a resort-like ambiance, perfect for unwinding or entertaining. The main residence offers 2,226 square feet of beautifully appointed living space, featuring four spacious bedrooms and three bathrooms. Its open-concept design...read more on our website.
