Welcome to 10 Kingfisher Island in Sandyport, a recently renovated, turnkey single-family home with 4 bedrooms, 4 bathrooms, and 3,192 sq. ft. of living space. Interior upgrades include new flooring, painted walls, accent features, a revamped staircase, and a modernized kitchen with top-tier appliances. The bathrooms are completely remodeled, and the electrical system is enhanced with LED lighting, fans, and updated outlets. Outdoor highlights feature a new sea wall, concrete deck, retiled saltwater pool, jacuzzi, pergola with solar lights, and a vinyl fence. Additional upgrades include hurricane-proof windows and doors, new AC systems, updated ductwork, foam roof insulation, a 30kW generator, water pump, water tank, and remote-controlled electric shades. Every detail has been thoughtfully...read more on our website.
