This solar powered four-bedroom family home with southern exposure is ideally located in a quiet...

This solar powered four-bedroom family home with southern exposure is ideally located in a quiet neighbourhood and within close proximity of schools, shopping, the sea and riding stables. The hillside home living areas and bedrooms are all on one level and open out to an expansive south facing terrace. Featuring a large living room with fireplace, dining room, granite kitchen with island, family room, laundry room and four bedrooms, this home offers almost 2,000 square feet of air-conditioned space. The property is fully fenced with electric gates and offers ample parking for family and guests with a 3-bay carport and additional spaces in the driveway. Adjacent to the carport is a large room for storage, a gym or additional accommodations along with a full bathroom....read more on our website.
