Nestled on a breathtaking 1-acre estate on Russell Island, Bahama Passage is an extraordinary property that is a harmonious blend of timeless charm and modern luxury. Spanning 5,823 sq ft of living space, including 2,000 sq ft of deck area, the home offers a commanding 127 feet of pristine water frontage. Built 12 years ago, the property was constructed with solid concrete block on an elevated lot, ensuring durability and showcasing stunning ocean views from every vantage point. The estate boasts hurricane-impact doors and windows, a Bermuda-style cement board roof, and a spectacular 215 sqft. infinity-edge pool that seamlessly merges with the horizon. The main house features 3 spacious bedrooms and 3.5 elegant bathrooms. Its grand living and dining rooms are perfect for entertaining, whil...read more on our website.
