This apartment is located in a brand-new gated community with security cameras, a pool, and a clubhouse. It is privately tucked away in the rear of the property, on the ground floor, and away from the road. Brand new quality furnishings, including a large screen TV, and a chic quartz open kitchen with modern lighting makes this apartment soothing and cool. This open-floorplan apartment features high ceilings, a huge bedroom, and a separate bathroom. The bedroom has brand new furniture as well, and the closet has been finished with an organization unit, which means lots of room. Your very own washer and drier are tucked away in the hallway closet next to extra storage and a linen closet. What's not to like?...read more on our website.
