

Fortune Cay Home

This is an ideal family home in a quiet, gated community very close to the beach.

This home features a new metal roof and living area. All of the kitchen appliances are stainless steel including a Frigidaire cooktop with a giant stainless steel exhaust fan. The windows in the family room and kitchen all look into the children's play area in the back of the house. The double car garage has an inside entrance directly to the washer and dryer. The master bedroom is on one side of the house with the children's bedrooms on the other. The fourth bedroom is smaller and ideal for an office or playroom...read more on our website.
