This hilltop home in Sweetings Village is at the highest point in this family friendly neighbourhood offering sweeping views of the Sea of Abaco and Atlantic beyond. Great vantage to see the passing boat traffic and gage your water weather day! Cement home stood firm in hurricanes past built by some of Abaco's best finish carpenters from Man O War Cay the boat building capital of the Bahamas. Beautiful V joint finish woodwork boasted throughout with intricate designs, and a beautiful open ceiling in the main area with wooden railings. Open living, dining and kitchen complete with a breakfast bar all enjoy sea views. 2 bedroom 2 bathrooms complete the downstairs area but, there is room to expand! There is an upstairs with a roughed in ready to be finished additional two rooms and bathroom...read more on our website.
