An astonishing 358 feet of beach frontage with a built to last home on three lots, the iconic Suzies Rock boasts beach and sea views from every window and door of its perfectly symmetrical structure. Its three bedrooms & three bathrooms and open plan living/dining/kitchen area are complemented by 13' high ceilings, faux wood floor tile, a white and blue nautical motif, and a two tiered covered and uncovered porch which leads to the beautiful white sand beach. A thoughtful lower level with open air living space houses the water filtration, solar equipment, storage and half bath, each in separate rooms, a level of organisation beyond any other home in Treasure Cay. Suzies Rock runs mainly on solar power and rainwater cisterns with BPL, city water and generator back-ups. Located in the 'sweet...read more on our website.
