

JAVA HOUSE, KING’S STREET, Harbour Island, Eleuthera

Java House, the stately “Main House”, spans 4,085 square feet of elegant, open-plan living...

Java House, the stately “Main House”, spans 4,085 square feet of elegant, open-plan living space. Enter through the spacious first floor, where an inviting living room, a versatile dining area, and a cozy reading room create a perfect space for intimate evenings and lively gatherings. Upstairs, the master suite is a sanctuary of comfort, featuring an en suite bath with a luxurious tub and shower. A guest suite and two single-bed rooms, each with private baths, ensure ample space for family and friends, while the third floor holds a magical children’s area with twin bedrooms and a shared bath for the island’s youngest adventurers. The lower level, complete with a playroom and cinema room, promises endless fun and entertainment for all ages. Fully furnished and outfitted with top-tie...read more on our website.
