Located in the peaceful community of Imperial Park, this spacious single-story home sits on two lots surrounded by tropical gardens and mature fruit trees. The 2,867 sq. ft. home includes a large master suite with his-and-her closets and a generously sized bathroom. The reception room opens out to the pool, bar and patio area, perfect for entertaining family and friends. Connecting the reception room is an eat-in kitchen and a comfortable living room, ideal for gatherings or relaxing. With plenty of practical features, the home offers a single-car garage, a large laundry area, a walk-in pantry, a single-car garage and an additional storage room. Situated in a quiet area, it's close to schools, churches, and shopping, and just five minutes from Prince Charles Drive. With a touch of updati...read more on our website.
