Introducing The Noble House, an exclusive gated condominium featuring only seven apartments,...

Introducing The Noble House, an exclusive gated condominium featuring only seven apartments, situated waterfront on Paradise Island. This spacious 3-bedroom, 3½-bath luxury condo spans approximately 2,200 square feet and boasts a large ground-floor patio with stunning views of Nassau Harbour. Step inside to discover bright, airy rooms adorned with tiled floors. The renovated kitchen is fully equipped with stainless steel appliances, granite countertops, a breakfast nook, a dishwasher, and a washer/dryer, ensuring both style and functionality. Enjoy the comfort of central air conditioning to keep your living space cool. The property features a beautifully maintained garden with a community pool, perfect for enjoying sunny days. Additional conveniences include two parking spaces—one covered...read more on our website.
