

Ginn Sur Merr

Great Opportunity! Priced to sell!! Great Beachfront lot priced at \$1.6 Million.

In the heart of the luxurious Caribbean, Ginn sur Mer will feature a grand palace as the central and defining point of the entire community. Inside its elegant walls adorned with stunning accoutrements will be a variety of dining experiences, world-class shopping, inviting spas, night clubs, activity centers for the children and a Monte Carlo-inspired casino. In addition to the palace to be erected on this property, its 2,000 tropical acres offer white sandy beaches, relaxed elegance, a sport fishing haven and more. This island playground embraces the spirit of the islands accented with a world-class marina and private airport - both with Customs for easy access; an island golf experience that will redefine previous expectations; a Grand Canal that will wind throughout the entire property...read more on our website.
