Sitting on a spacious 7,000 sq ft lot is this well-designed 2,862 sq ft, family home. Everyone loves and needs lots of storage, well this house has it, and there is also an upstairs attic. Four of the three bedrooms are on the southern side of the house; on the other side is the fifth bedroom and a spacious full bathroom. Crafted in this house are many unique details. There are a variety of mature-bearing fruit trees that provide good food.....and great shade.....read more on our website.
