Introducing Pineapple Estate, a 70+ acre Clifftop parcel on the Atlantic Coastline with just under 1,000 feet of Ocean frontage, located in Eleuthera, The Bahamas. Situated just outside of Gregory Town, one of the oldest settlements in The Bahamas, with a quaint fishing village and all your amenities nearby. Enjoy amazing Bahamian sunrises on the Atlantic side of the island, with your own private beach, which has 40 foot elevation at the northern beach side and sweeping up to 164 feet in the center of the parcel. This stunning property has vivid hues of varied turquoise blues that change with the seasons. The land is full of lush foliage and native palm coppice and home to indigenous wildlife including a wide array of birds, truly a tropical paradise. There is paved road frontage along the...read more on our website.
