Welcome to your waterfront retreatâ€™ where comfort, style, and functionality meet. The open-concept layout and natural light create an inviting sense of airiness, drawing you through to the covered deck with stunning views of the canalâ€™ ideal for morning coffee or evening gatherings. The formal dining area flows seamlessly into a generous living space, perfect for both intimate family time and elegant entertaining. Upstairs on the second level, youâ€™™ll find two well-appointed bedrooms, a convenient laundry area, and ample storage throughout. On the third floor, two additional bedrooms each boast their own ensuite bathrooms, offering privacy and luxury for family or guests. Out back, a charming garden and a private dock with space for your 30-ft vessel add the finishing touches to this ex...read more on our website.
