Discover The Hatch, an exceptional historic home where authentic charm meets modern comfort and expansive tropical outdoor living. This one-of-a-kind retreat offers the ultimate island lifestyle and a lucrative investment opportunity. Designed for relaxation and entertaining, it features a spacious covered dining area, open-air living room, seated bar, and a heated pool surrounded by lush gardens. A poolside lounge, billiards table, and expansive top deck create the perfect setting for sunset views. Inside, the main house offers two beautifully appointed upstairs bedrooms, a shared bath with a clawfoot tub, plus a private downstairs suite. A separate guest house with an en-suite bath provides added privacy. Every bedroom includes individual A/C units for comfort. Outdoor built-in seating a...read more on our website.
