Sole Mio is often referred to as a "tree house" for its setting in the folds of the American Mahogany tree at its entrance. Purchased and completely renovated in 2021, the owners have installed new electrical, plumbing, and appliances. Fully furnished, the decor is geared for easy care and elegant living. Each of the 3 bedrooms has its own ensuite bathroom. There are 2 half baths. The 6-seater hot tub spa is located in its own screened-in hut steps from the house. An outdoor shower greets you on your return from the beach. A whole house generator, one golf cart garage, raised bed garden boxes, and a grass yard complete this ready-to-move-into GTC home!...read more on our website.
