Blue House is perched on a ridge with breathtaking ocean and sunset views. Initially built as the main lodge to the Buttonwood Reserve condos, the home features a spacious bedroom and a generous great room, with sofas and entertainment area with ocean views from every room. The ocean view caterer's kitchen features two refrigerators and two ranges. The dining area also enjoys ocean views. There are also two sleeping lofts, both with walls of glass. Headroom in the lofts is limited, with a height of just 5'11" at the apex and steeply sloping ceilings. The lofts are accessed by steep spiral stairs best suited for older children. Buttonwood Reserve has access to two beaches. On the Atlantic side is a world-class, 3-mile-long pink-sand accessed via a private, golf-carts only driveway. O...read more on our website.
