The Sunset residence offers sweeping views of both sides of the island from the 2nd level. Incredible sunset views. It features four bedrooms and two baths on the ground floor and a beautiful upstairs with a large "Sunset Deck"™, a great room with a nice kitchen and a spacious lounging area. The bedrooms are in groups of two, each set with a shared bathroom. Large 2-car garage with custom-made doors. Renovated in 2019-20. High-quality, PGT PVC windows and sliding glass doors. The sundeck was completely replaced. New rainwater system. Complete masonry work and painting, inside and outside. Both bathrooms were renovated with large walk-in showers. 2,216 sq. ft. under air. 700 ft. deck space. From the huge deck, one has the views and soothing sounds of the ocean on both sides of our island...read more on our website.
