This untouched wooded lot sits on a quiet street in Bahama Palm Shores, a mere 5 minute walk from the amazing 8 mile beach that Bahama Palm Shores is so well known for. There is electricity available at the roadside, making it easy to begin your journey of building your home in this eclectic community of Bahamians and second homeowners. Bahama Palm Shores has a community atmosphere you don't find very often. There's a volunteer fire house that also serves as a gathering place for potluck dinners, Bingo nights and other community events among the residents. It's only a 25 minute drive to the international airport and the town of Marsh Harbor for all your grocery, hardware and other essential needs. Call today to make lot 39 yours!...read more on our website.
