ICONIC LOCATION is the best way to describe this exciting new offering. Conch Shell Cottage sits overlooking the entrance to one of the most beautiful harbors in The Bahamas, just at the edge of Hope Town Settlement, with commanding views of its candy-striped and world-famous Elbow Reef Lighthouse. Conch Shell Cottage was a family home and a popular vacation rental for many years. Sitting on a quiet lane on a shallow and calm beachfront yet not far from Atlantic beach accesses, ferry docks, restaurants, and shopping, you can feel both a world away and all within reach simultaneously. While the structure has seen better days, the property, in its unique location, provides the perfect setting to once again be your little slice of paradise.
