This well-maintained 2-bed, 2-bath retreat sits on a rare double lot with direct waterfront access and panoramic ocean views framed by mature coconut palms. The home offers island charm and modern comfort just steps from a smooth pebble beach with a sandy-bottomed sea ideal for swimming. Enter through the foyer to find stunning ocean views. Each bedroom features an ensuite bath; the primary suite includes a cozy seating area perfect for reading or late-night movies. A step-down great room with a native stone fireplace flows into an open kitchen and an additional entertaining area belowâ€”perfect for gatherings or quiet relaxation. Natural light and sea views flood the space. Outside, enjoy expansive patios, swaying palms, and turquoise watersâ€”pure island living. A detached garage with la...read more on our website.
