18 Arches is a spacious, modern canal-front townhome located in the highly desirable gated community of Sandyport. The main floor of this home is bright and airy featuring a spacious open floor plan and a beautiful canal water view. The home's recently upgraded kitchen features stainless steel appliances, an 18-bottle wine fridge and granite tile countertops along with ample amounts of storage space. The warm and welcoming casual dining area also includes a cozy reading place complete with a bay window notched in alongside a comfortable rustic, breakfast table. Adding to the natural indoor/outdoor flow of the home's layout is a glassed-in Bahama room just off the living room that's perfectly suited for a real fresco, yet weatherproof, dining and entertaining. The canal side of the ho...read more on our website.
