A Pinnacle Privacy and Panoramic Views. Set high above the Caribbean on a bluff with 335 feet of ocean view frontage, Beside The Point offers a rare blend of seclusion, natural beauty, and refined island living. Spanning over four acres, this private coastal estate captures commanding views of the turquoise sea below. It provides deeded beach access via a wide, gently sloping path to the shoreline below. The beautifully landscaped grounds are alive with dozens of varieties of native and exotic fruit trees, flowering bromeliads, and vibrant orchids—creating a lush, tropical retreat that is both sustainable and serene. The main residence, constructed of concrete and meticulously maintained, features three bedrooms and two bathrooms in a thoughtfully designed, open-concept layout. High-end ...read more on our website.
