Located in the sought-after community of Sandyport, this beautifully positioned 4-bedroom, 3.5-bath canal front home offers water views from every room, dual-sided canal frontage, and a seamless indoor-outdoor layout. The residence features 2,928 sq. ft. of living space, a rare enclosed two-car garage, private dock and boat lift, and a pool ideal for relaxed outdoor enjoyment. A built-in bar is discreetly tucked behind custom cabinetry in the living room, perfect for entertaining. The home enjoys exceptional cross breezes and natural light throughout. Hurricane impact windows and doors provide year round protection. A dedicated office adds flexibility for today's lifestyle. Whether as a primary residence or island getaway, this home offers the best of waterfront living within one of Nass...read more on our website.
