This mixed zone property is an investors dream; the possibilities are endless. Centrally located, this property is right in the heart of Nassau, with quick and easy access everywhere on the island. The property is zoned for both commercial and residential development. With four structures in place, it is ready to start producing income right away. Three of the structures can be rented as 1 bedroom apartments while the fourth structure is a duplex with 2 bedrooms per side. There is plenty of open area for parking or expansion for a commercial storefront. You have to see the property to understand its limitless potential....read more on our website.
